SENECA

THE HEBRON HIGH SCHOOL
SENIOR CLASS PRESENTS
THE
1961 SENECA
HEBRON, INDIANA

Dedication

We, the class of 1961, would like to dedicate the 1961 Seneca to Mr. Myron C. Knauff.

Mr. Knauff has been not only a fine principal, but also a close friend to all of us. Without his guiding hand, we would not be able to receive our diplomas in May. Throughout our four years of high school he has helped us through the many trials and tribulations that we have had to face during this short, but most important period of our lives.

Yes, Mr. Knauff, we thank you for being such a fine principal and friend.

Seneca History

The first edition of the yearbook was a combination of both the school paper which was called the Hawker, and the yearbook which is now called the Seneca. It was started by the Senior class of 1941. This is its 20th anniversary.

The yearbook was named after Seneca Park which used to be located where the school grounds are at the present time. This property was given by Dr. Ross Blood for recreational purposes. Seneca is an Indian name similar to the Indian names used by other local schools for their yearbooks.

We hope to keep on publishing this yearbook and make many improvements as time progresses.

These youngsters can be seen leaving the school grounds, once known as Seneca Park. Seneca Park has been a home for many students five days a week for the past twenty-two years. Since this school was first built in 1939, many achievements have been made. This includes the new grade school that was erected in 1959.

Administration

Russell Franzman . . Trustee

Myron Knauff . . . Principal

The trustee who hires our teachers, the principal who supervises our school, and the secretary who keeps our books and records are the nerve center of our school. Without them the school could not function.

The junior year is an adventurous year. Our class rings arrived early in the fall. The next step was selling Christmas cards. The concessions at the ball games kept us busy. To add to the work, we held a car wash. We finished the year with magazine sales, and the work is now slowly ending; but the prom and the play will keep us busy until the end of the term. We anxiously await the commencement, for then we will be the seniors.

We've tried to become accustomed to the high school way of life. It's had its ups and downs, but we have braved our way through all of this and found a happy life at last. Soon we hope, the day will come when we will be upperclassmen and our voices will be honored in the halls of Hebron.

Junior Band

Last year the seventh grade wasn't allowed to participate in the senior band because of the size of the band. Therefore, the junior band was created so the seventh grade would have a chance to participate in musical activities. They have an opportunity to display their talents for the public in the spring concert.

Student Council

We are very proud of our Student Council for all the appreciated improvements in our school.

Projectors Club

The Projectors Club does a very fine job of showing classroom films.

Monitors

The hall monitors serve as hosts and hostesses to visitors and also run errands for the administration. They are especially helpful to Mrs. Sherman as they collect the attendance slips and the lunch count.

Safety Patrol

The Safety Patrol does a fine job in providing a safe passage for the grade children across the busy highways. On duty regardless of weather conditions these boys have an excellent safety record and are doing a valuable service to the community as well as the school.

Hawker Staff

The Hawker keeps us informed of school events as the daily paper keeps our parents informed of world affairs.

Seneca Staff

There were moments when we didn't think we would ever get finished, but all things work out in the end.

Sports

Baseball

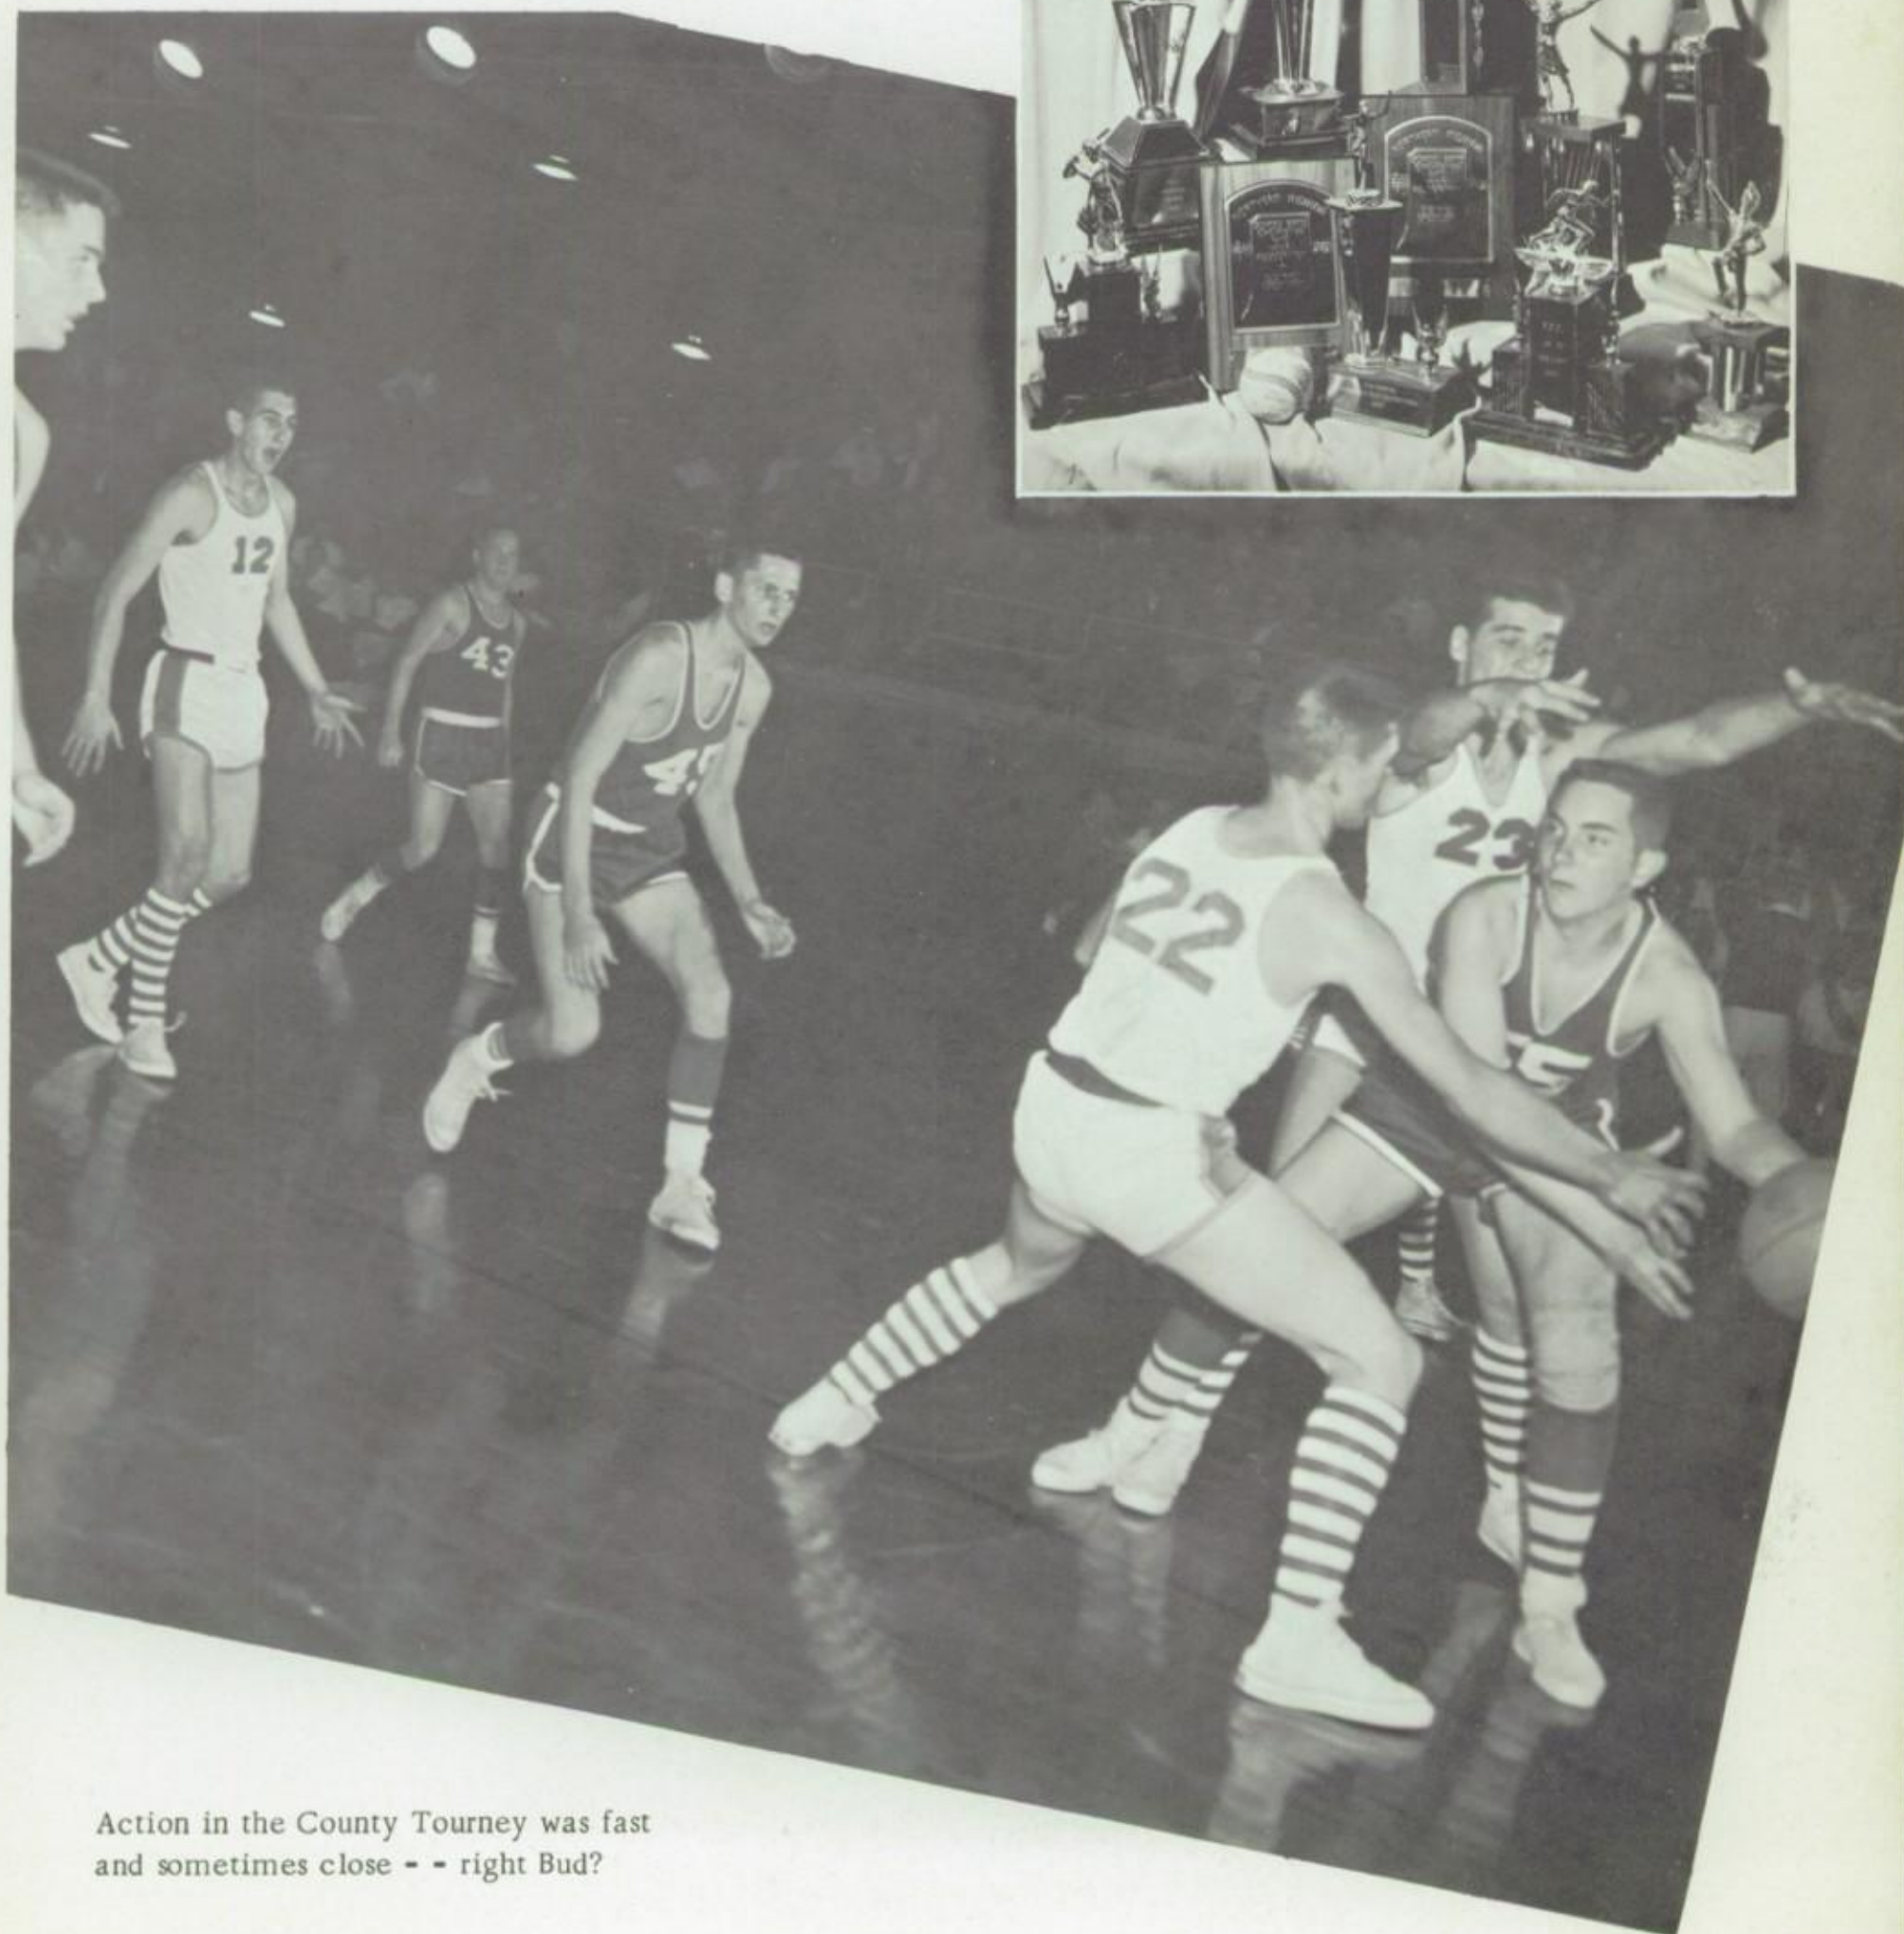

Won 8

Lost 0

The baseball team won the Porter County Conference championship for the second consecutive year. In the first game of the season they defeated Brook, thus avenging their only loss of the previous season. The winning formula was good pitching backed by hard hitting. The team also placed the six members below on the all-conference team.

Hebron won many trophies this past year. Whether the prize came in athletics, cheering, or musical contests the winning combination was teamwork.

Action in the County Tourney was fast and sometimes close - - right Bud?

Basketball

Track

As this book goes to press before spring we can only speculate on the track record. However, twenty-two eager young men will be working out on the track. The season looks very bright, for these are the same boys which placed second in the County Track Meet last year. They are bolstered by several promising freshmen. By the time you read this Hebron will have recorded a fine track season.

Cross Country

Our cross country team improved its record this year. The team brought home a trophy from the Kankakee Valley Cross Country Meet, as a striking highlight for the season. One encouraging factor is that three of our best runners were underclassmen; this will prove valuable in future years.

Varsity Cheerleaders

Judy Thompson
Janet Thompson

Janet Breitzke
Diane Wilson

These girls really have something to smile about. With the cooperation of the Booster Club and loyal fans Hebron won the County Cheering Award for the third consecutive year.

Junior Varsity Cheerleaders

Donna Keeling
Julie Garvey

Jean McNeil
Roberta Skinkle

JUNIOR HIGH BASKETBALL

Won 9

Lost 7

After playing a tough schedule the boys suffered a disappointing defeat in the Junior High Tourney. However, the team should be proud of a winning season.

"B" TEAM

Won 11

Lost 1

With such an impressive record these boys have something to look forward to next year.

JUNIOR HIGH BASEBALL

Won 6

Lost 1

The baseball team was crowned co-champions of the Porter County Junior High for the second consecutive year.

Jr. High Track

Jumping, running, pole vaulting, and throwing the shot keep the Junior High track team more than busy. They are striving very hard to acquire the skills of track. Their hard work will pay off in blue ribbons. These boys must work very hard in order to match last year's record of winning every event.

Handwritten text in Arabic script, likely a manuscript or letter. The text is dense and covers the entire page, written in a cursive style. The ink is dark, and the paper appears aged and slightly discolored. The script is consistent throughout, with some variations in line spacing and alignment typical of handwritten documents. The text is written in a single column, filling the page from top to bottom and left to right. There are no visible margins or decorative elements. The overall appearance is that of a historical document, possibly a legal or administrative record, given the formal nature of the language and the lack of personal or casual phrasing. The handwriting is clear but compact, suggesting a professional or official context. The paper's texture and color are visible, adding to the historical feel of the document. The text is a continuous flow of words and phrases, with no breaks or interruptions. The script is a form of Arabic calligraphy, specifically a cursive style used in many historical manuscripts. The overall impression is one of a well-preserved but clearly aged piece of paper with important written content.
